## Integration of Chatbot with HTML web page:

The screenshot displays the IBM Watson Assistant Lite interface. The top navigation bar includes 'IBM Watson Assistant Lite', 'Upgrade', 'Smart Fashion', and 'Learning center'. The main workspace is divided into three panels:

- Left Panel (Conversation steps):** Shows a sequence of three steps for a conversation. Step 1: 'To set up a meeting, I'll need a few details. First, what's your first name?' with a 'Free text' input field. Step 2: 'Thanks! And what's your last name?' with a 'Free text' input field. Step 3: 'Where would you like me to email the calendar invite?' with a 'Regex' input field. A 'New step' button is at the bottom.
- Center Panel (Customer starts with):** A list of phrases that trigger the conversation. The list includes: 'Enter a phrase', 'I would like to discuss my situation face to face', 'I want to talk in person with someone about my case', 'Is it possible to set a date?', 'Looking for a dress', and 'Suggest me a dress'. A 'Total: 12' indicator is shown.
- Right Panel (Preview):** A simulated chat window showing the chatbot's responses to user inputs. The chat history includes: 'your question.', 'need a dress', 'I'm afraid I don't understand. Please rephrase your question.', 'Looking for a dress', 'Smart Fashion recognized', 'To set up a meeting, I'll need a few details. First, what's your first name?', 'suggest me a dress', and 'Thanks! And what's your last name?'. The input field shows 'Type something...'.

The bottom of the screen shows the Windows taskbar with various application icons and the system clock indicating 09:35 on 15-11-2022.

The screenshot displays the IBM Watson Assistant Lite interface in 'Preview assistant' mode. The top navigation bar includes 'IBM Watson Assistant Lite', 'Upgrade', 'Smart Fashion', and 'Learning center'. The main workspace is divided into two main sections:

- Left Panel (Image):** A large image of a man in a denim jacket standing in a flower market, with the text 'NEW ARRIVALS' at the bottom.
- Right Panel (Preview assistant):** A simulated chat window showing the chatbot's responses to user inputs. The chat history includes: 'suggest me a dress', 'To set up a meeting, I'll need a few details. First, what's your first name?', 'looking for a dress', 'Thanks! And what's your last name?', and 'Type something...'. The input field shows 'Type something...'. A 'Built with IBM Watson®' logo is at the bottom.

The bottom of the screen shows the Windows taskbar with various application icons and the system clock indicating 09:44 on 15-11-2022.
